

## ACTIOS NEWS UPDATE FEBRUARY 2019

There was a good response from schools to Christmas assemblies and the Christmas Unwrapped RE lessons. Invitations are coming in from schools requesting assemblies and RE lessons during the Spring Term.

SUPA Club meets regularly on Monday lunchtimes at Great Staughton Primary School with a regular group of 8-10 children currently exploring the life of King David and the Psalms.

The Higher Tour has opened up new opportunities for ACTIOS to work in secondary schools and Leanne is currently in dialogue with the schools about how to take this forward, including a possible mentoring programme at Longsands Academy.

Leanne attended a Scripture Union Conference in January meeting with other SU Schools' Workers to exchange information and ideas and to pray for and encourage each other.

The annual ACTIOS Quiz Night will take place at St. Neots United Reformed Church on Saturday 30<sup>th</sup> March. Tickets can be obtained from your church ACTIOS Rep.

ACTIOS Workers are due to take part in the annual Scripture Union Lifepath event to which schools will be invited. This year the subject will be the Life of John Bunyan and will be held at Elstow.

The Chair, Treasurer and Secretary of ACTIOS attended a seminar at Scripture Union HQ on the subject of fundraising, the speaker being from the J. Arthur Rank Foundation. This proved very informative and the Trustees are currently considering submitting charitable grant applications and other fundraising activities in order to increase income as during the last year our income regularly fell short of expenditure.

Full details of the work and ministry of ACTIOS, together with details of how to financially support this exciting and rewarding ministry can be found on [www.actios.org](http://www.actios.org).

*Thank you for your interest and support in the work of ACTIOS*

*Rev'd David Miller  
Chair*
